Hi Debbie,

Can you issue a refund of \$50 under Receipt C094339?

The applicant paid \$100 for an ownership change. Ownership changes are \$25 each for undivided water rights. The application was only for two undivided water rights, so only a \$50 fee was needed and we need to refund the excess \$50.

I am copying Lori Graves of SPF Water Engineering on this email. Lori acted as the applicant's consultant and I'd like to keep her in the loop. Thanks, Debbie!
