

MEMORANDUM

TO: Water Right File 51-4037
C: John Homan, Office of the Attorney General
FROM: Monica Van Bussum
DATE: December 7, 2011
SUBJECT: Purity Sweet Water Supply Bank Rental Application

SUMMARY

This is a renewal of a previously processed lease/rental. For more information, see my memorandum dated September 16, 2010. We held this renewal for some time to allow the applicant to file a transfer. The transfer has not been filed but we can no longer hold the Water Supply Bank processing. None of the elements of the lease/rental have changed from the previous year's agreements.
