CONDITIONS OF APPROVAL

1. Domestic use is for 2 homes, 1 office and 48 spaces in a recreational vehicle park.
2. The domestic use authorized under this right shall not exceed 13,000 gallons per day per recreational vehicle connection.
3. The irrigation occurring under this domestic use shall not exceed 0.6 acre around the recreational vehicle spaces. This right does not provide for the irrigation of common areas.
4. When ordered by the Director, the right holder shall provide mitigation acceptable to the Director to offset depletion of lower Snake River flows needed for migrating anadromous fish. The amount of water required for mitigation, which is to be released into the Snake River or a tributary for this purpose, will be determined by the Director based upon the reduction in flow caused by the use of water pursuant to this right. Any order of the Director issued in accordance with this paragraph shall be in conformance with applicable rules allowing the right holder due process as the need for mitigation and the amount of mitigation are determined.

This license is issued pursuant to the provisions of Section 42-219, Idaho Code. The water right confirmed by this license is subject to all prior water rights and shall be used in accordance with Idaho law and applicable rules of the Department of Water Resources.

Signed this 3rd day of November, 2011.
