RE: Change in Ownership Water Right No. 34-2339A & 34-7204

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Filing Fee of \$100.00 per water right for ownership change resulting in a division of the water right.**

**** **Evidence of Water Right Ownership:** An agreement with the property owner located in the NE corner of the Government Lot 5 (SWNW) of Section 6 Township 3 North Range 27 East.

The department contacted you on March 21, 2011 regarding a division of 1 acre from water right number 34-7204. You indicated you were going to work on getting an agreement with the property owner in order to receive ownership of the entire 19 acres within the quarter quarter mentioned above. The department has not yet heard a response or received an agreement. Please supply an agreement with the owner of the property in question or the additional filing fee of \$75.00 for the division of the water right.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
