RE: Application for Transfer No(s). 77610

Dear Protestant(s):

This office acknowledges receipt of your protest to the approval of Transfer No(s). 77610. As part of the application process, the following options are available for the resolution of contested (protested) applications:

-Direct contact with the applicant(s) to determine the nature of the protest(s) and to attempt to resolve the protest. Sincere conversation between the parties prior to initiation of formal proceedings can often resolve protest(s).

-Formal proceedings administered by the Department pursuant to the transfer of a water right. A pre-hearing conference identifies the protestant's concerns and reviews the resolution possibilities with the parties. If the concerns cannot be resolved, a formal hearing will be scheduled.

-Mediation through a certified professional mediator can reduce costs and time that are associated with formal proceedings, present the opportunity to address non-water concerns, provide influence over a final settlement, and fast track the processing of the application if a mediated agreement is reached. If you are interested in this option, please contact our office for details.

A pre-hearing conference has been requested. Attached is a calendar for you to fill out your unavailable dates and return to the Idaho Department of Water Resources. Please return this calendar no later than December 19, 2011.

You may contact this office if you have any questions regarding the procedure discussed in this letter or additional information about water rights and other matters administered by this agency is available on the Internet at www.idwr.idaho.gov.

Sincerely,

A handwritten signature in black ink, appearing to read 'James Cefalo', is written over a horizontal line.
