RE: Change in Ownership Water Right No. 74-748, 74-749, 74-1812, 74-1813, 74-1814, 74-1815
& 74-10204

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Water Right Ownership:** copy of 'recorded' Deed, Title Policy, or other legal document indicating your ownership of the property and/or water rights in question. The department acknowledges receipt of a Warranty Deed with your application; however the deed submitted only covers about 20.4 acres of ground not appurtenant to the place of use of the water rights mentioned above. Please supply the deeds covering the place of use of the water rights. Water right numbers 74-748, 74-749, 74-1812, 74-1813, 74-1814 and 74-1815 are all located within the SWNW Section 33 Township 21 N Range 23 East. Water right number 74-10204 is located in the SESE Section 33 Township 21 North Range 33 East.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
