RE: Change in Ownership 35-7891

Dear CLAIMANT:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership on the above listed water right. Our review of your notice indicates the following additional information is required before we can process the change.

XXX The POU for this water right is located in all 4 quarter-quarters of the SE of Section 20. The warranty deed you submitted only shows your ownership in the NESE and SESE of Section 20. If you own property in the SWSE and NWSE of Section 20, please submit the recorded warranty deed. If you don't own the entire area that this water right covers, we will need to "split" the above water right, which is a \$100 fee. If you are requesting we split this water right, an additional \$75.00 will be needed.

XXX Additionally, the Department records indicate that you may have an interest in another Water Right # 35-11512 with the POU in the NE quarter-quarter of Section 20. If you believe this Water Right is yours, you will need to complete a Change of Ownership and the \$25 dollar filling fee for this Water Right. Change of Ownership form has been enclosed.

Because the Department cannot process the ownership change without proper documentation and fees, we will hold any action on your notice pending receipt of the necessary information and fees. If we do not receive the necessary information and fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please feel free to contact the Department if you have any questions.

Sincerely,
