PROOF ACKNOWLEDGEMENT LETTER

RE: Permit No. 23-11387

Dear Permit Holder(s):

The department acknowledges receipt of the proof of beneficial use "proof" form submitted for the above referenced permit. In response to your letter of November 21, 2011, you are correct that the department would not have accepted your proof statement without a field examination report had you not paid the proper license examination fee associated with this permit.

You may go ahead with hiring a certified water right examiner to conduct the field exam. Once the department receives the field exam from a certified water right examiner, and the field exam has been determined acceptable by the department, then the department can issue you a \$50.00 refund for the license examination fee you paid at the time of filing this proof.

Please be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office or at the department's website at: www.idwr.idaho.gov

If you have any questions concerning the field examination, please contact the **Eastern** Regional Office of the department in Idaho Falls at (208) 525-7161

Sincerely,

Darla Block
