RE: Ownership on Water Right 79-10371

Dear Mr. and Mrs. Knott:

On September 5, 2006, the Department of Water Resources received a request for a Change of Ownership in the above mentioned water right from you. Recently, it was brought to our attention that the ownership was changed in error. Water Right 79-10371 is located in Township 27N, Range 01E, Section 23, NESE, Idaho County and is appurtenant to a parcel of land in the Twin Bridges Subdivision that is currently owned by William Gortsema.

The deed you provided with your request is for Lot 3, Block 2 in the White Subdivision located in Township 19N, Range 01E, Section 31, Adams County. After further review, it was determined there are no water rights appurtenant to your property. Water Right 79-10371 will be changed to list William Gortsema as the current owner.

We are apologize for the misunderstanding. If you have any questions, please contact this office at 208-334-2190.

Sincerely,

A handwritten signature in black ink that reads "Jean Hersley". The signature is written in a cursive, flowing style.
