RE: Address Change Notice for Water Right No. 85-15446

Dear Mr. Burnham:

On November 25, 2011, the Department of Water Resources received a change in address form from you for water right no. 85-15446, indicating that you have a new address. Your address has been updated in our database. However, water right license no. 85-15446 is currently in the names of Kevin and Bobbi Hoene.

A notice of change in ownership is required to change current ownership of this water right into your name. Enclosed is a computer representation of this water right and a notice of change in water right ownership form and instructions for your use.

In order to update the ownership of this water right, submit the completed notice of change in water right ownership, supporting documentation (deed), and the filing fee. The filing fee is \$25 per water right, except for those water rights that will be divided as a result of the change in ownership. The filing fee for division of a water right is \$100 per water right.

If you have any questions, please feel free to contact me at 208-287-4945.

Sincerely,

Dana Block
Technical Records Specialist
