Scott,

Here's what I heard from John. So, it appears you have IDWRs approval.

Sandy:

Given the topography and flat/shallow stream bed in this area. I think this will be the best that we could expect.
Looks like we gained some ground.

Hi John,

Let me know what you think of this. I'll touch base with you next week since I'm leaving today at 10am, and won't be back till Monday.

Have a good weekend.

Subject: Measuring Device Recommendations for Jusilla Bow

Good afternoon, Sandy:

Attached are SPF's proposed recommendations for measuring devices for permit no. 65-22912. Craig Collins with Jug Mountain Ranch is proceeding immediately to have these devices constructed and installed to meet the August 9 deadline. Please let me know as soon as possible if you have any questions or concerns.

Thank you,
Scott
