Dear Mr. David Carlson,

The Corporation of the Presiding Bishop of the Church of Jesus Christ of Latter-Day Saints (CPB) owns and operates an existing Church meetinghouse within the Blackhawk subdivision, near Ammon, ID. CPB recently acquired water right #25-14341, an appropriation of 8 ac.ft for irrigation use. The approved point of diversion is a groundwater well located in the SWNW, Sect. 12, T1N, R38E, and the approved place of use is for irrigation of 2 acres in the SWNW, Sect. 12, T1N, R38E, or the property surrounding the Blackhawk meetinghouse. IDWR approved the transfer 10 Aug 2011 (see attached).

Enclosed please find a Notice of Change of Water Right Ownership on the above referenced water right, accompanied with the appropriate fee. Having transferred and acquired this water right, CPB is compliant with the laws of the State of Idaho pertaining to water rights and groundwater appropriation for irrigation at the Blackhawk meetinghouse. If you have any questions, please do not hesitate to contact myself at (801) 240-4657. Thank you for your assistance in this matter.

Sincerely,

Delmas W. Johnson, P.E.
