RE: Notice of Change in Water Right Ownership
Water Rights: 74-612

Dear Mr. James:

On January 21, 2011, you filed a Notice of Change in Water Right Ownership (ownership change) with the Idaho Department of Water Resources (IDWR), seeking to update the ownership records for the water rights listed above. After an initial review, we determined that you did not include the proper filing fee. On February 4, 2011, we sent a letter requesting the additional filing fee of \$25.00 if no split was required or \$100.00 if a split was required. The additional fee was to be provided within 30 days.

IDWR has never received a response to the request. Without the proper filing fee, we cannot complete the ownership change.

Please find attached a map of the place of use of the water right to help you determine whether a split will be required. If the ownership change will require a division of the water right a \$100.00 filing fee will be required if you believe you purchased the entire place of use the filing fee is \$25.00. Also there is a \$100.00 late filing fee for applications submitted after 120 days.

Please feel free to re-file your ownership change at any time in the future when you have collected the proper documentation of ownership and have included the correct filing fee.

If you have any questions, please contact me at (208) 525-7161.

Respectfully submitted,
