Monica,

I am attaching the "Order appointing successor co-personal representative" whereby my brother William and I were formally appointed as co-personal representatives of the estate of Eleanor I. Chase.

The probate of Eleanor I Chase is still open and William and I transact business for the estate.

The attached consist of two files, page 1 and page 2. Please let me know if you get this reply and the attachments satisfactorily. If you need any additional information please let me know as well.

Hello,

I am the coordinator of Idaho's State Water Supply Bank. We received the application to lease water right 63-5226 to the Water Supply Bank, along with the necessary funds for processing. However, I do have a question about ownership.

This water right was partially decreed in the Snake River Basin Adjudication on February 16, 2007, to Eleanor I. Chase and H. Bryan Chase II at 70 W. Floating Feather Rd. in Eagle, ID. Department records still indicate Eleanor I. Chase and H. Bryan Chase II own the water right.

A check of Ada County taxlots indicates the owner of record for the taxlot to which the water right is appurtenant is Eleanor Chase.

The Water Supply Bank applications were signed by Michael J. Chase and William D. Chase as "PR of Eleanor I Chase Estate." As you see, the owner of record for the water right and the applicants do not match.

Can you provide documentation showing Michael J. Chase and William D. Chase have authority to act on behalf of Eleanor I. Chase and/or her estate? Unfortunately, without some type of documentation, the application cannot be processed. Please call me if you have questions.

Monica
