PROOF DEFICIENCY LETTER

RE: Permit No. 94-7830

Dear Permit Holder(s):

The Department has received your Statement of Completion for proof of beneficial use ("proof") filed for the above referenced water permit. However, the Department cannot accept the form you filed because of incomplete or missing information. Item nos. 4, 5, 7, 8 & 9 of the proof form are incomplete, along with a signature and title on behalf of the trust.

The license examination fee was not paid at the time of filing proof. The license examination fee is based on the maximum rate of diversion that was developed, and is for the department to conduct a beneficial use field examination of the water system to verify its use. Your proof statement cannot be accepted without the exam fee.

The permit was issued with a maximum diversion rate of .03 cfs, from surface water. Based on your maximum diversion rate of 0.03 cfs the license exam fee due is \$50.00.

Enclosed is the original Statement of Completion ("proof") form you filed. I am returning it to you and request that you fill out all missing or incomplete items of the form to reflect what was permitted. Upon receipt of a completed proof statement and license examination fee I will be able to acknowledge its receipt.

To provide you with information regarding the permitted water uses, enclosed is a copy of the permit for your reference. I will hold this matter for **15-days** from the date of this letter to wait for your response.

Please contact me at (208) 287-4945, if you have any questions.

Sincerely,

Darla Block
