Subject: Water Right 63-12266 - City of Nampa?

Contacts: Christopher H. Meyer

Good Morning Chris,

Sorry to contact you so informally but I wasn't sure the best way to pass on this information. The reason I am contacting you is because on October 19, 2011, IDWR issued license 63-12266 in the name of: M & M MOUNTAINVIEW SUBDIVISION INC

4319 DIANE ST
NAMPA, ID 83686

I just had a conversation that leads me to believe that perhaps the license should be in the name of City of Nampa.

IDWR was not aware of any link between this right and the City of Nampa when issuing the license. However, on Thursday, November 10, 2011, I received a call from Diane Miller telling me she had received the license and was asking what it means. I returned her call today and after speaking with her a little she told me that the well that supplies her water, and the surrounding subdivision, has been bought by the City of Nampa. She tells me she pays the City of Nampa a fee for her domestic water. Therefore, it sounds like the name on 63-12266 might need to be the City of Nampa.

Here is the link to the water right documents:

I just wanted to pass this information along since I see you are listed as the representative for the City of Nampa.

I hope all is well.

Talk to you later,

Craig L. Saxton
