Re: Application to Amend Permit No. 37-21337

Dear Applicant(s):

This letter is to inform you that the legal notice for the above referenced application will need to be republished in the Idaho Mountain Express, due to a clerical error by the newspaper. The original legal notice was published with the incorrect protest deadline, which read November 98, 2011. This, of course is an invalid date, and should have read November 28, 2011.

The legal notice has been resubmitted, and is scheduled for republication in the **IDAHO MOUNTAIN EXPRESS on 11/23/2011 and 11/30/2011**. The new protest deadline is now **December 12, 2011**.

If the application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, the Department will process your application and notify you of any action taken on the application. If your application to amend the permit is approved, the Department will send you a copy of the amended permit.

Please contact this office if you have any questions regarding this matter. We apologize for any inconvenience this may cause.

Sincerely,

A handwritten signature in black ink that reads "Denise Buffington". The signature is fluid and cursive, with the first name "Denise" and last name "Buffington" clearly legible.
