Re: "clerical errors" water reports

Dear Shelley:

My meter reading letter's dated September 10, 2011 and October 15, 2011. are incorrect as far as the "Re:" line is concerned.

The October 15, 2011 report should read:

Re: "Oct" meter reading #75-14265; and

The September 10, 2011 report should read:

Re: "Sept" meter reading #75-14265.

The errors could only be attributed to the "word processor!"

Sincerely yours,

Bill Oldham
