Re: Idaho Foundation for Parks and Lands/SRBA

Dear Mr. Luke:

I am enclosing a copy of a letter dated September 21, 2011, that was distributed to ground and water right holders concerning measurement in the Big Wood and Little Wood drainages. This letter was sent to Mr. Jim Speck who years previously represented Idaho Foundation for Parks and Lands. Mr. Speck no longer does and forwarded this to me.

We appear as record for the Idaho Foundation for Parks and Lands in all of the SRBA matters. Please inform me what we must do in order to change the address on the existing Department of Water Resources concerning water right No. 37-8560.

Thank you for your assistance.

Very truly yours,

McDevitt & Miller LLP
