**RE: IRS FORM W-9 REQUEST – LESSORS OF WATER RIGHT NO(S). 45-13948
AND 45-13950**

Dear Lessor:

The water right referenced above is currently leased to the Water Supply Bank and will be rented in 2011.

At the end of the 2011 irrigation season, we will process payments to lessors. To allow us to process your payment, we will need you to complete and return the enclosed form W-9 (Internal Revenue Service Request for Taxpayer Identification and Certification).

The Department of Water Resources is required to file an information return with the Internal Revenue Service for all payments issued for water rented from the Bank. Payments for rentals cannot be issued unless the Department has received a completed IRS W-9 form.

Generally the name of the lessor and the name on the W-9 match. However, if they do not match in your case, you will need to provide documentation of authority to receive payment. The address associated with the water right leased to the Bank will be updated in the Department database to the address provided on the W-9 form unless otherwise requested by the lessor.

Please return this form within ten (10) days from the date of this notice, along with any additional documentation to my attention. If you have any questions or no longer have an interest in the water right, please contact me at (208) 287-4907.

Sincerely,

Christine Field
