RE: Permit No. 63-10034

Dear Mr. Conrad:

Permit 63-10034 is currently being reviewed for licensing. The Department's field examiner recommended licensing your water right with a diversion rate of 9.36 cfs. However, because the examination fee submitted with your Proof of Beneficial Use only covered up to 5.00 cfs, the license will be limited to 5.00 cfs.

If you want the water right license to reflect the 9.36 cfs found by the examiner, you must submit the additional examination fee of \$125.00 required for a diversion of 9.36 cfs, plus a late payment penalty of \$25.00, within 30 days. If we receive the examination fees after 30 days from the date of this letter, the priority date of the right will be advanced in accordance with Section 42-217, Idaho Code.

If you have any questions, please contact me as soon as possible at (208) 287-4946.

Sincerely,

Michele D Edl
Associate Engineer
