RE: Notice of Change in Water Right Ownership, Water Right # 22-13766

To Whom It May Concern:

On March 16, 2007 the Law Office of Holden, Kidwell, Hahn & Crapo submitted several applications for water rights on behalf of Elliot Creek LLC and *Elliot Creek Ranch LLC* (attached). The application for water right # 22-13766 had the name of the applicant listed as *Elliot Creek Ranch LLC* (attached). The Permit to Appropriate Water that was issued on March 19, 2007, however, was issued in the name of Elliot Creek LLC (attached). On November 12, 2007 the Law Office of Holden, Kidwell, Hahn & Crapo submitted a letter to IDWR stating that "22-13766 should be in the name of *Elliot Creek Ranch, LLC*" (attached). Then on May 14, 2008 IDWR issued a Permits Approval Notice for several water rights including 22-13766, all in the name of Elliot Creek LLC.

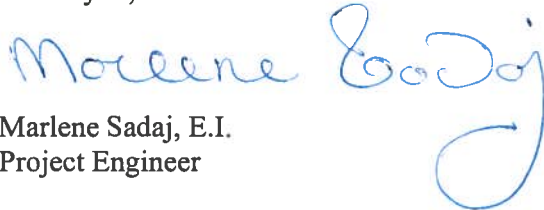

Elliot Creek LLC and *Elliot Creek Ranch LLC* are two separate entities with different owners. The owners have worked together to complete the excavation and construction associated with the water rights permits. The construction has been completed and now the owners would like to ensure that all the proper water rights are in the appropriate names. A Notice of Change in Water Right Ownership and a check for the \$25 fee are attached.

The Notice of Change in Water Right Ownership requires a copy of the conveyance document, and as explained above, water right # 22-13766 was placed in the name of Elliot Creek LLC in error, so there is no conveyance document between Elliot Creek LLC and *Elliot Creek Ranch LLC*. A copy of the original warranty deed between the Wilson's and *Elliot Creek Ranch LLC* is attached.

Please contact Bill Anderson at 406-925-0590 or bill@andersonmontana.com or myself at 406-600-7590 or marlene@andersonmontana.com with any questions or concerns regarding this matter.

Thank you,
