RE: Notice of Change in Water Right Ownership

Dear Water Right Holders:

The Department of Water Resources is in receipt of your change in water right ownership which divided water right 63-3226 into 3 parts. Your portions are 63-33585 (David Larsen) and 63-33591 (David and Cami Larsen), and the balance of the water right remains in the name of Karen A. Saleen and is still identified as water right 63-3226. I have enclosed water right reports for each water right.

Water right 63-3226 was claimed and decreed with a 0.15 acre-foot per year (afy) limitation which equals to approximately 5 hours of irrigation per year. I had to split that limitation proportionately between the 3 rights. In order to correct or remove this limitation, a motion to set aside the partial decree will need to be filed with the Snake River Basin Adjudication (SRBA) District Court. For further information, you can contact the court at:

253 Third Avenue North
P.O. Box 2707
Twin Falls, ID 83303-2707

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Each water right has a specified point of diversion, nature of use and place of use. If you plan on changing any of these, including adding a new point of diversion, then an Application for Transfer on your portion of this right is required. If you do not plan on changing any items on your water right, then no further action is required at this time.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,
