Mr. Larsen,

I just noticed that the quitclaim deed you faxed me indicates that the property was conveyed to David and Cami Larsen. Since the deed for the other parcel is to David Larsen only, I will have to divide the water right into 3 parts. I thought I'd mention this before I proceed with the ownership change.

If you have any questions or concerns, please feel free to call or email.

Thank you,
Emalee

Thank you for your quick response. I did receive the fax.

Once the ownership change is processed, I will mail a confirmation and water right report to you.

Thank you,
Emalee

Ms. Rushing,

Thank you for notifying us. We did purchase the adjacent property from Tradition Custom Homes in January of 2011. We would like the ownership changed for that portion of the water right. I will fax you a copy of the I deed.

Thank you,

David Larsen

Mr. Larsen,

I am processing the ownership change that was submitted to the Department of Water Resources on October 1, 2010. The deed you submitted covers a 7.7 acre parcel. On the map you submitted, you noted that the adjacent parcel to the north of you belongs to Tradition Custom Homes. Tax lot data as of 2011 show the owner as David Larsen.

If you do own this other parcel and would like to have the ownership changed for that portion of the water right, please submit a copy of that deed. If the parcel is also in your name only, I can split this water right into two parts (your portion being 15.9 acres and the balance of 16.1 acres to remain with Karen Saleen).

I will hold the ownership change for 30 days to allow you time to respond.

Sincerely,
Emalee Rushing
