RE: Change in Ownership Water Right No. 22-13363

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

The "Change of Ownership" FOR 22-13362 has been returned for the following items.

**** **Filing Fee** of \$100.00 per water right for ownership changes resulting in a split. The deed supplied with your application does not cover the entire place of use of the water right mentioned above. Please see a map attached.

On September 16, 2011 a deficiency letter was mailed to you requesting the information as noted within 30 days. IDWR has never received a response to the request for additional information. Without the requested documents, we cannot verify ownership of the water right and cannot complete the ownership change. Therefore we are returning your ownership change unprocessed, a copy of your notice will kept in the departments records for informational purposes only.

Please feel free to re-file your ownership change any time in the future when you have collected the requested documentation of ownership. Because your filing fee is being refunded, you will need to determine and provide the proper filing fee at the time you re-file the ownership change.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
