Craig,

Let's list them. I know it's more work, but it removes any ambiguity, which will make things easier for IDWR folks in the future.

Hey Shelley,

On that Simplot right with the horrible overlap, you asked me to identify if this right was supplemental to Pioneer Dixie Irrigation Co rights or other Simplot Irrigation rights. Best I can tell is it is supplemental to both. The Irrigation POU for this right overlaps ground that has Irrigation Company rights as well as private irrigation rights. There are 13 rights total. I think it almost makes more sense to just leave it as being supplemental to "surface water rights", but I can call out the 13 if that is preferred.

Thanks,
c
