Scott,

I received authorization from the Department to change the address on all the water rights to the transfer applicants without requiring written consent from your client, as they all appear to be the same entity. If your client finds this acceptable, the current owner on all the water rights would be listed as:

The Corporation of The Presiding Bishop of the Church of Jesus Christ of Latter Day Saints
50 E. North Temple St,
Salt Lake City, UT 841150

Let me know if that will work or not,

Thanks,
Bill
