Re: Loan No. 41295300
Todd H. Mickelsen
Water Right Nos. 35-2396 and
35-2435 (Security Lien)

Dear Sirs:

Last week we sent a check to your office for the above along with a letter asking for our Notice of Security Interest to be added to your system. Evidently I neglected to send \$25.00 for each water right number as listed above and also forgot to enclose the Notice of Security Interest document signed by Rabo Agrifinance, Inc.

Enclosed you will find an additional check in the amount of \$25.00 to cover the cost of adding our Security Lien to both of the water rights. I am also enclosing the original signed "Notice of Security Interest in a Water Right" document signed by an office of Rabo.

Please process this request upon receipt if at all possible and notify us that our request is completed. Our customer the Mickelsen's has requested a small partial release of property and we cannot complete their request until our Security Interest has been established.

Also, if at all possible please return a copy of our instruction letter that was enclosed and signed by Shirley L. Dobbs, Vice President. I'm afraid in my rush to get the original package out to you I neglected to keep a copy of that letter for my file.

Should you have any questions or issues regarding this matter please do not hesitate to contact Trish Rigsby in our Loan Closing Department at (314) 317-8157. Thank you in advance for your assistance in this matter.

Yours truly,

Trish Rigsby
