SUBJECT: Telephone Conversation with Holden Kidwell Hahn and Crapo

This afternoon I received a telephone call from Luke Marchant of the law firm Holden Kidwell Hahn and Crapo. Mr. Marchant called to let us know he was in contact with Kevin Taggart today. Kevin Taggart is the developer of the subdivision. Mr. Marchant found out the subdivision has been developed, but the permit needs to be assigned over to the Home Owners Association (HOA), then the HOA can file proof of beneficial use.

Mr. Marchant also said that Mr. Taggart would be coming into his office soon to fill out an assignment of permit form to change owners from Timberview Properties LLC into the name of the HOA.

Luke Marchant of Holden Kidwell Hahn and Crapo: (208) 523-0620

*On 07/15/2010, I spoke with Mr. Taggart.
He informed me that he plans to go see Luke Marchant
on 07/19/2010, to fill out the assignment form to the HOA.
