Dear Mr. Hamilton;

I wanted to take a moment of your time and remind you that the application for the point of diversion transfer for water right #01-10058 is still in our office. All of the necessary steps to authorize this transfer have been completed except, we need a final copy of the Water Conveyance Agreement between Smith-Maxwell Ditch Co and Corbett Slough Canal Company.

Once this final piece is received the office can authorize the transfer application.

Please feel free to contact me if you have any questions.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Kerrie'.
