NOTICE TO RESUME WATER USE

Re: Water Right Nos. 35-13742, 35-13744, and 35-13746

Dear Water Right Holder:

On December 12, 2008, the department approved the Applications for Extension of Time to Avoid Forfeiture submitted by Derlin L. and DeOn Campbell for water rights 35-8001B, 35-8865, and 35-8957. The department also approved the Campbell's application for transfer which resulted in the division of the water rights and change in ownership with your portions being numbered **35-13742**, **35-13744**, and **35-13746**.

One condition of the approval of the Application for Extension of Time to Avoid Forfeiture was that diversion and use of this water must resume on or before January 1, 2012. Failure to resume use of the water and to notify the department of the resumed use would be cause for the water to revert back to the state and again be subject to appropriation.

I am enclosing a Resumption of Use form for your use to notify the department of your resumption of use of the water right. Please complete the form and return it to my attention at the above address.

If you have any questions regarding this matter, please contact me at (208) 287-4952.

Sincerely,

Emalee Rushing
