RE: Chris and Anna Tripp
Water Right No.: 13-07137

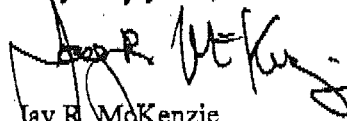

Dear Jonie:

Chris Tripp called our office this morning indicating that IDWR had called him asking that he send to IDWR a copy of the Warranty Deed whereby Glen Cansler transferred the property to Chris and Anna Tripp. He indicated that if that Deed was sent, the change of water right ownership could be accomplished. We attach a copy of that Deed.

If there is any further documentation that is needed by IDWR regarding the foregoing, please do not hesitate to give us a call.

Thank you very much.

Very truly yours,

Jay R. McKenzie
