RE: Chris and Anna Tripp
Water Right No.: 13-07137

Gentlemen:

Please find enclosed a fully-executed *Notice of Change in Water Right Ownership*. Chris and Anna Tripp are merely transferring the water right into the name of their family trust.

We assumed that the water right was in the name of Chris and Anna Tripp, since they have owned the property for many years (see 1997 deed, a copy of which is enclosed). The family and their partnership, Daddeese Lil' Princess owned the property for many year prior to 1997. However, apparently, the IDWR records show the property still in the name of Glen Cansler, who I understand is now deceased. From the online documents on file with the IDWR, I found the enclosed letter dated July 14, 1986, from the Department to Chris Tripp, indicating that he is now the owner of the water right, but also requesting documents of ownership. I am not sure if that was ever submitted to you. Also enclosed is an inter-department memo dated June 16, 1986, indicating that Mr. Cansler had signed the Amendment to set Chris Tripp up as the new owner, but I cannot find the Amendment in the online documents. This Amendment should clear up the ownership of the water right into the name of Chris Tripp.

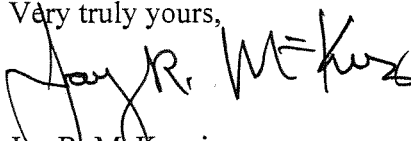

This water right pertains to a spring which lies upon the property of Chris and Anna Tripp. The spring arises on their property, and ends, sinking into their property. I am also enclosing a copy of the Quitclaim Deed transferring the subject property, upon which the spring is located, into the name of The Chris & Anna Tripp Family Trust.

Hopefully you can correct the records at IDWR, and transfer ownership of the above-referenced water right into The Chris & Anna Tripp Family Trust. We are enclosing the *Notice of Change in Water Right Ownership*, together with a check in the sum of \$25.00 to accomplish this change.

If we can be of further assistance, please do not hesitate to give us a call.

Thank you very much.

Very truly yours,
