Re: Application for Amendment of a Permit / 37-21337

Dear Allen:

I represent the Valley Club Homeowners Association, Inc. Last Friday I obtained from your office and reviewed a copy of the above-referenced Application for Amendment of a Permit filed by the Village Green at Valley Club Homeowners Association, Inc. Paragraph 4.c. of the Application states the applicant has reached an agreement to use my client's wells as the points of diversion for the permit. Although the applicant and my client have been negotiating the terms and conditions of such an agreement, none exists at this time. Therefore, my client requests that the Department not advertise this Application unless and until a written agreement with respect to the use of my client's wells is signed by the applicant and my client.

Please reply to confirm the Department will honor this request. Thank you.

Sincerely yours,
