RE: Notice of Change in Water Right Ownership
Water Rights: 13-7713, 13-7715, 13-7717 & 13-7438

Dear Sir/Madam:

On July 21, 2008, you filed a Notice of Change in Water Right Ownership (ownership change) with the Idaho Department of Water Resources (IDWR), seeking to update the ownership records for the water rights listed above. After an initial review, we determined that you did not include the proper filing fee (1 water right x \$25 = \$25 and 3 water rights x \$100.00 = \$300.00). The ownership change only included a check for \$100.00. On July 11, 2011, we sent a letter requesting the additional filing fee of \$225.00 (copy enclosed). The additional fee was to be provided within 30 days. Water Right number 13-7438 will not require a split and is ok to data enter. You will receive an acknowledgement letter indicating your ownership in that water right. Water right numbers 13-7713, 13-7715 and 13-7717 cannot be complete at this time and the department is returning a copy of your ownership change unprocessed. The address listed above is as per a phone conversation with the department please complete the enclosed Address Change in order for the department to update their records.

IDWR has never received a response to the request. Without the proper filing fee, we cannot complete the ownership change. We are therefore returning your original ownership change and have initiated a refund of your money (\$75.00). The refund from the state of Idaho will arrive at the address listed above within a couple of weeks.

Please feel free to re-file your ownership change at any time in the future when you have collected the proper documentation of ownership and have included the correct filing fee.

If you have any questions, please contact me at (208) 525-7161.

Respectfully submitted,
