Re: Water Right Permit #11-07390

Dear Cody,

Thank you for your patience with the Trapper Trails Council while we have been gathering the needed paper work to reinstate a permit lapsed more than sixty days. We are now requesting that a license be issued.

We have enclosed the following completed paper work:

- Request to reinstate a permit lapsed more than sixty days
- A prepared statement from Mr. Paul Scoresby, certified Idaho water right examiner
- \$250.00 fee for reinstatement of the permit
- Statement of completion
- \$100.00 fee for statement of completion

Once again thank you for all of your time and assistance with this matter. Please let me know if there is anything else we need to do.

Sincerely,

Josh Haacke
Director of Support Services
