

MEMORANDUM

Date: November 02, 2011
To: Transfer 77561
From: bjordan
Re: transfer evaluation

This transfer proposes to change the point of diversion for water right 34-14147. The applicant recently purchased property located in the SESW of 06N 25E Sec. 11 and seeks to change the point of diversion to their property. The applicant will be drilling a new well.

Authority to File:

Applicants recently filed an ownership change for a portion water right 34-14147 and now are the current owner per IDWR record. Applicant also submitted a tax assessment verifying they own the property where well will be drilled.

Water Right Validity:

Water right was decreed in 2001. 2009 aerial photography land being irrigated. Forfeiture is not an issue.

Injury to Other Water Rights:

Inside the ESPA model boundary and within WD 34. Point of diversion is moving approximately 300 feet to the southeast. POD is within same ESPA model cell. There is no evidence of injury or change in water source. This transfer will not be advertised. Watermaster was notified about application, but did not comment.

Enlargement of Use:

No issues identified

Local Public Interest:

No issues identified.

Beneficial Use / Conservation of Water Resources:

No issue identified.

Review of the application finds there is not clear inconsistency with criteria set forth in Section 42-222 Idaho Code preventing processing of this application.
