Shelley,

The deadline for Twin Falls and North Side Canal Companies to appeal Judge Wildman's decision in the Milner hydropower case was due yesterday and no appeal was filed. Thus, the license is now final. Because the final order issued by the Department back in 2008 was in more of a narrative format, I understand that it is the Department's policy to send out a formal copy of the license to the water user once litigation surrounding the right is final. Please do so. Let me know if you have any questions.

Thanks,
Garrick
