Dear Mr. Rogers,

Deborah Mc Namara called the Department today. She asked about a property she sold years back on 118 Grace Dr. and wondered why she was still getting notification about it. I researched the right and found that you had originally requested a change ownership on the domestic part of the property but not on the irrigation part. Water right 37-8422 is an irrigation right to water .8 acres from the well. If you believe this is your right please fill out the enclosed Notice of Change in Water Right Ownership form. There is a fee of \$25 per water right and you must include a deed. (I have sent you a copy) If you have any question please contact me at the Dept. (208)736-3033.

I have also sent a canned letter of an upcoming meeting concerning the water rights in your area. If this irrigation right is yours the meeting might concern you.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Carrie Hahn', is written over a faint, larger blue signature that is partially obscured.
