Re: Application for Permit Nos. 71-10940 and 71-10941 (Patrick W. Lee and/or John T. Brown)

Dear Watermasters:

We need your Watermaster Recommendation for the above referenced Applications for Permit within your District. The applications have been scanned and are available for viewing on the department's website.

Please respond within 21 days of the date of this letter. Regional review of un-protested applications can be completed as soon as the final protest period is past; your prompt response to this request is appreciated so that your recommendation can be considered during regional review.

If after 21 days from the date of this letter the department has not received your written recommendation, the department will presume you do not oppose approval of the application and you have no comments for the department to consider.

If you have any questions about an application, please contact this office or the applicant.

Sincerely,

Trish Fawcett
