Dear Mr. Henrickson:

I will be conducting Beneficial Use Field Examinations (exams) in location of your permits on Thursday, September 29, 2011. This exam is required to complete the process for you to receive your License for your water right.

Please give me a call to set up a time to meet you, or to meet someone else who can show me the point of diversions and place of use for each of the above Permits, and answer some questions. If you are unable to attend, please complete and return the enclosed forms for each Permit.

If you have any question, please give me a call at (208)287-4920 or on my cell at (208)761-0280. Thank you in advance for your help.

Sincerely,
