RE: Permits 98-7771 and 98-7829

Dear Permit Holders:

On March 11, 2011, the Idaho Department of Water Resources (IDWR) granted your petition for reconsideration and withdrew license 98-7771 and 98-7829. Through a telephone conference with Gary Ball and Barb Scott and the order withdrawing preliminary orders, IDWR granted you time to compile data to substantiate your requests in the petition.

At this time we are requesting that you submit the information within 30 days. If IDWR does not receive the information within 30 days, IDWR will re-issue the licenses as previously issued.

If you have any questions regarding this matter please contact me at (208) 287-4944.

Sincerely,

Cherie Padilla, Sr. Water Resource Agent
Water Allocation Bureau
