

MEMORANDUM

To: Water Right File No(s). 63-31882

From: Monica Van Bussum

Date: October 24, 2011

Re: Review of Application to Lease Water Right to the State Water Supply Bank

PURPOSE/NARRATIVE: We originally received the payment for this lease application on September 8th, but did not receive the completed application until October 14, 2011. The applicant wishes to lease all of 63-31882 to the Bank for five years.

AUTHORITY TO FILE: The application was signed by the right holders.

WATER RIGHT VALIDITY: The water right was partially decreed by the SRBA in 2007, less than five years ago, so forfeiture is not an issue.

INJURY TO OTHER WATER RIGHTS: No injury is apparent.

ENLARGEMENT OF USE: No enlargement is evident through the lease alone. Proper rental review should protect against enlargement.

LOCAL PUBLIC INTEREST:

Review staff has no information to suggest this application is inconsistent with the local public interest.

BENEFICIAL USE/CONSERVATION OF WATER RESOURCES:

The lease appears consistent with conservation of water resources in Idaho.

DEPARTMENT STAFF OR WATERMASTER COMMENTS:

None.
