Hi Denise,

I do not oppose transfer 77551.

Brian,

I am the one who is working on this transfer. They are not drying up acres, just adding some backup wells and drilling one new one. I have attached my review memo. Give me a call if you have more questions. Thanks, Jeanie Robertson

Hi Denise.

Is there a Department Officer review stating the purpose of this transfer? I do not see what acres are being dried up.

Thank you.

Brian
