RE: Transfer #77288

Gentlemen:

This transfer is scheduled for advertising soon and providing there are no protests, can be approved after the end of the protest deadline. One of the requirements for a transfer is a release from any lien holders on the property for the rights involved. I noticed that D.L. Evans Bank is the holder of a Security Interest on at least some of the rights. Since all of the rights are being tied together, we will need a release from them agreeing to the transfer. Please contact them and send them a copy of the transfer if necessary so they can provide us with a letter on their company letterhead.

The Department will delay the approval of transfer application #77288 for 30 days to allow you to submit this required information. If you have any questions please give me a call at the office.

Sincerely,

Jeanie Robertson  
Senior Water Resource Agent
