Re: Lezamiz Transfer (34-10895)

Dear Fritz,

Thank you for your letter of June 30, 2011. Based on the Department's review of the deeds submitted with your letter, the Department concurs that Keith Clark did not own the SWNW when the original SRBA claim for 34-10895 was filed. As no objection to the claim was filed, it appears that water right no. 34-10895 was decreed as separate and apart from the ownership of the underlying land.

Now that the question regarding property ownership has been answered, the Department is prepared to move forward with the transfer application. Please resubmit the transfer application to James Cefalo at the Department's Eastern Regional office. Mr. Cefalo will be able to inform you of the appropriate fee associated with the transfer application.

Thank you for your assistance in this matter. If you have any further questions, please feel free to contact me at (208) 287-4811.

Sincerely,

A handwritten signature in black ink, appearing to read "G. Baxter", is written over a horizontal line.
