RE: Change in Ownership for Water Right Nos. 43-75, 43-76, 43-77, 43-81, 43-362, 43-363, 43-364, 43-365, 43-366, 43-367 and 43-7103

Dear Mr. & Mrs. Wickel:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. During our review of the documentation you submitted we found that the water right covers two parcels which were not covered in the deed submitted. The parcels are located in the S $\frac{1}{2}$ NW $\frac{1}{4}$ of Section 23, T13S, R25E (North of the North boundary line of the county road right-of-way).

Please provide a copy of the deed(s) which conveyed those parcels to you. If you do not own one or both of the parcels, a division of the water rights will be required. I have enclosed a copy of the water right reports for your reference.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed.

Because the Department cannot process the ownership change without proper documentation and fees, we will hold any action on your notice pending receipt of the necessary fees and/or documentation. If we do not receive the necessary information within 30 days, we will return your notice and all attachments and your notice will not be processed.

Please feel free to contact the Department if you have any questions.

Sincerely,

Emalee Rushing
Office Services Supervisor
