RE: Water Right No. 96-4016, 96-4143
Change in Ownership

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

_____ **Legal Description of Property** The deeds submitted are not sufficient since they list lot and block numbers of subdivisions. We need metes and bounds descriptions of the property if possible.

_____ **Plat of Property or Survey Map** usually on file with the county

Also please note that we must put the water right in the name(s) on the deed. If you want your water right in the name of Cox Partnership LLC, we will need either deeds with that name or a legal document that put the names on the deed into Cox Partnership LLC.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,
