Application to Amend Permit No. 11-7641

Dear Applicant(s):

The Department of Water Resources has received your application to amend the permit referenced above. Please refer to the permit number referenced above in all future correspondence regarding this application.

A legal notice of the application has been prepared and is scheduled for publication in the NEWS EXAMINER on October 26 and November 2, 2011. Protests to this application may be submitted for a period ending ten (10) days after the second publication.

If the application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, the Department will process your application and notify you of any action taken on the application. If your application to amend the permit is approved, the Department will send you a copy of the amended permit.

Please contact this office if you have any questions regarding the application.

Sincerely,

Sharla Cox  
Administrative Assistant

Hi Sharla,

Could you set up advertising for this permit amendment? I'm having Danni scan it so it's available online, along with a few other items in the file. It is adding two points of diversion and altering the place of use from how 11-7641 currently exists. Thanks and let me know if you need anything else.
