RE: Change in Ownership for Water Right Nos. 36-7340 and 36-7542

Dear Mr. Gillette:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership which was submitted to the Department on August 17, 2006. On November 20, 2006, the Department received a letter from William A Parsons of Parsons, Smith & Stone, LLP. Enclosed with the letter of Nov. 20, 2006 were copies of deeds which were to validate the quitclaim deed to Perry Gillette.

After review of all the documentation submitted, I find that there is still a missing link in the chain of title. I have the warranty deed dated July 12, 1993 which conveys the property from the Ralls to Larry R. Gillette and Cindy L. Gillette, husband and wife. The next deed is the quitclaim deed dated April 24, 1998 from Jerry and Roanne Gillette; Randy and Cindy Gillette; Perry and Gail Gillette to Perry Gillette. The Department needs a copy of the deed(s) from Larry R & Cindy L Gillette to the Gillettes as named on the April 24, 1998 quitclaim deed to complete the chain of title. I have enclosed a copy of the July 12, 1993 and the April 24, 1998 deeds for your reference.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed. If you need additional time, please let me know.

Please feel free to contact me at 208-287-4952 if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Emalee Rushing".
